## Parent/Business Sponsorship Interest

ALL monies we receive go into the efficient and accountable running of the club, and the genuine development of all players. We understand the cost of registering your son impacts on your financial position as a family. As part of our transparency policy, we have provided an outline of the breakdown of operating items that the club is obligated for the season.

I would like you to consider a possible club sponsorship that yourself or your work business may be prepared to give. Unlike some clubs, we do not accept sponsorship offers conditional on players being selected. On the basis of an approved sponsorship offer from you/business that exceeds the registration fee we will deduct it from your son's rego fee.

We can provide you with a potential club sponsorship offer package in the coming weeks. Please **circle** your interest in receiving this.

## Parent Volunteer Sub-Committees

Other than our coaches, ALL our management positions including the Executive Committee are based on volunteer time and club commitment. We are working hard to build a strong unique and competitive club operating on professional management principles, implemented with integrity, and the development of an attractive brand culture.

We are seeking parent volunteers to join our various club sub-committees and assist in the 2019 season tasks and operations of the club.

If you are able to contribute some of your time or expertise please give your details.
