Parent/Business Sponsorship Interest

ALL monies we receive go into the efficient and accountable running of the club, and the genuine development of all players. We understand the cost of registering your son impacts on your financial position as a family. As part of our transparency policy, we have provided an outline of the breakdown of operating cost items the club is obligated for the season.

Now that your son has been successful in being selected into one of our teams based on his performance merit, I would like you to consider a possible club sponsorship that yourself or your work business may be prepared to give. On the basis of an approved sponsorship offer from you/business that exceeds the registration fee we will deduct it from your son's rego fee.

We can provide you with a potential club sponsorship offer package in the coming weeks. Please **circle** your interest in receiving this.
